 Lagos,Nigeria

 [github.com/bojdavid](#)

Skills

Frontend: Svelte, React, Tailwind CSS, TypeScript,
Backend: Python (FastAPI), MongoDB, SQL, NestJs
Tools And Platforms: Git, GitHub, Docker, Docker Compose, Nginx, PostgreSQL, Render, Vercel, Postman, REST APIs, Cursor, Claude Code, Antigravity, ChatGPT

Professional Experience

- SkillsForge - Frontend Development

10th of March 2025 – 14th of may 2025

 - Collaborated closely with senior developers and cross-functional teams, contributing to UI/UX decisions and implementation strategies.
 - Developed a pixel-perfect, responsive interface based on a detailed Figma design, ensuring full alignment with the original layout across devices.
 - Built and deployed real-world applications with interactive features, and responsive layouts.
 - Improved problem-solving skills through regular code reviews, debugging sessions, and performance optimization tasks.
- Sheda house - Frontend Development

16th of August 2025 - Present

 - Maintained and enhanced an existing production codebase by adding new features, optimizing performance, and improving overall stability.
 - Collaborated closely with senior backend engineers to design and implement technical solutions, contributing to architectural and product decisions.
 - Developed responsive, pixel-perfect user interfaces by translating design specifications into high-quality, production-ready code.

Education

BSC/ Computer Science - University Of Ibadan

Projects

- Trivia App

Built a production-ready full-stack URL shortener with secure authentication, URL shortening, click analytics, and a Dockerized architecture using an **Nginx reverse proxy**

Technologies: React (Vite), TypeScript, NestJS, PostgreSQL, Docker, Nginx, Tailwind css

GithubRepo: [https://github.com/bojdavid/url-shortner](#)
- Mini Spotify Wrap

Analyzed user listening data using the Spotify Web API and PKCE authentication. To visualized top tracks and artists over time.

Technologies: SvelteKit, Tailwind css, Typescript

GithubRepo: [https://github.com/bojdavid/SpotifyAnalytics](#)

Interests & Achievements

- Judo:** Competitive athlete and **Team Captain (UI)**; 3x NUGA Medalist (2025) and winner of the 2024 University Championship and Inter-Faculty Open Weight titles, with a second-place finish in the -81kg division. Demonstrates discipline, team management, and resilience.
- Personal Interests:** Guitar performance, thriller cinema/literature, and fine art appreciation.
- Exploration:** Passionate about traveling and exploring new environments to broaden perspectives.
